

INCREASE USABLE WORKSPACE IN YOUR BODY SHOP

WITH ADJUST-A-WALL™ TRACK & ROLLER CURTAIN PARTITIONS

CUSTOM DESIGNED ADJUST-A-WALL™ SYSTEMS

HOW TO ORDER:

1. Determine the height of you partition.
2. Determine the configuration of your partition....*straight run... two sided....three sided....four sided....or multiple bay.*
(It might be helpful to draw a sketch)
3. Total up the number of lineal feet in you partition.
(Partitions are priced by the lineal foot.)
4. Determine whether you want your partition....*suspended from overhead by chain or threaded rod ..or...mounted flush to the ceiling.* (Suspended mount is most common.)
5. Determine the colors that you want about and below the clear section.
Available Standard Colors include... Blue; White; Yellow; Red; Green; Gray; Black and Teal.

Note: The factory will automatically add 10% for drapage and deduct 2" from the height of your curtain to allow for the track.
