

PORT-O-SCREEN

Quick, easy set-up and take down. No hardware to install. No tools necessary.

Roll open and stand on horizontal end for use as welding, grinding or safety shield.

Roll up and carry away.

Lightweight, flexible inner core wire mesh permits the Port-O-Screen to stand alone. Built-in tie strap and carrying handle.

Available in:

- 14 oz Safety Yellow Vinyl Laminate provides resistance to flame—NFPA-701 certified.
- 12 oz. Olive Drab Cotton Duck is a permanently treated cotton to repel water and resist mildew. CPAI-84 approved for flame resistance.

See our Steiner Industries Product Catalog for other protective materials, screens, blankets and curtains.
